Dear Mr. Houston,

Although this may not reach you before you leave town; I want to send this interim acknowledgement of your good letter of October 26th regarding the Allen W. Dulles Papers. I greatly appreciated all you wrote, as I know Mrs. Dulles is sure to do also. Besides the general reassurance that you give, you have raised several most helpful points, and I will hope to be in touch with you again after I have talked to Mrs. Dulles and you return to Washington. By then also we will have Princeton's reaction to consider, and I believe that we can fairly quickly bring matters to a conclusion.

With many thanks for your kind attention and valuable advice,

Sincerely yours,

F. Garner Ranney
